CULTURAL / TRIBAL TREKS

For a truly enriching experience, immerse yourself into Kenya's culture and take a cultural or tribal trek. If you want to walk with the Maasai in the "mara" or up with the Kikuyus on Mount Kenya, we can take you there.

By spending time with Kenya's various indigenous people you will gain a fascinating insight into their culture, traditions and lifestyle. Learn about tribal medicine, trapping and tracking techniques and tribal legends. Eat, sleep, and live as the Maasai do.

In order to minimise any detrimental impact on the local tribes, these treks only take you to villages that have already been exposed to tourism. Treks can range from one to three days and can be tailored to suit your group's preferences.
